

EDUCATIONAL ORGANIZATION MANAGEMENT SYSTEM (EOMS) POLICY STATEMENT

At **Cyber Gate Academy**, we are committed to providing quality education and continual improvement in our educational services. As part of this improvement, we have implemented an Educational Organizational Management System (EOMS) in accordance with the requirements of ISO 21001.

Our commitments:

- **Quality Education:** We are dedicated to delivering high-quality education that meets the needs and expectations of our learners, faculty, staff, and other interested parties. Our educational programs are designed to enhance learning outcomes and foster the holistic development of our learners.
- **Continuous Improvement:** We are committed to continually improving the effectiveness of our EOMS and the quality of our educational services. Through regular review and assessment of our processes, we strive to identify areas for improvement and implement appropriate corrective and preventive actions.
- **Compliance:** We are committed to complying with all applicable statutory and regulatory requirements related to our educational services. This includes adhering to relevant education laws, standards, and guidelines set forth by regulatory bodies.
- **Stakeholder Engagement:** We value the input and feedback of our stakeholders, including learners, faculty, staff, and regulatory authorities. We actively seek to engage with our stakeholders to understand their needs, expectations, and concerns and incorporate this feedback into our decision-making processes.
- **Resource Management:** We are committed to effectively managing the resources necessary for delivering our educational services, including human resources, infrastructure, and technology. We strive to allocate resources efficiently to support the achievement of our educational objectives.
- **Risk Management:** We recognize the importance of identifying and managing risks that could impact the quality of our educational services or the achievement of our organizational objectives. We have implemented processes to assess and mitigate risks, ensuring the continuity of our operations and the satisfaction of our stakeholders.

We are committed to achieving excellence in education by effectively implementing our Educational Organizational Management System. By upholding the principles outlined in this policy statement, we aim to provide a supportive learning environment that empowers learners to reach their full potential and prepares them for success in an ever-changing world.

This EOMS Policy shall be reviewed annually and updated as and when necessary.
